

**Summer Fete, a message from PALS:** Firstly a huge thank you for the overwhelming generosity and support of everyone who helped at, helped organise and attended the Summer Fete on Saturday. We had over 1000 people come through the gate and we are thrilled to let you know that we raised an incredible **£4001!** Despite the rain clouds you came out in force, and it really was amazing to see it so busy. We hope that everyone enjoyed the event, especially knowing that for many of you this was your first experience of a summer fete! Thank you to everyone who was involved, no matter how big or small your involvement it is always greatly appreciated.

## This week...

### Year 6 Kilvrough Residential

Year 6 have had an incredible week at Kilvrough Manor this week.

Every group has now taken part in all the main activities. Whether their challenge was to be away from home overnight for the first time or to catch a bigger wave, EVERYONE has achieved. Their development has been amazing; many have new skills in independence as well. We ended today with a morning coastal walk. The weather was drizzly but with their developed positive approaches everyone looked forward to seeing this side of Wales.

We will see you all this evening back at school. 7pm is the current ETA. We will update you, on the school blog, if this changes - <http://ladygrove-park.blogspot.com/>

### Year 3 Archeology

On Wednesday, Year ones were lucky enough to have a live Zoom workshop with Caroline from Cotswold Archeology. She explained what archeology is all about and what fascinating things can be found from digging. We even had to guess what the mystery artefacts were! Caroline will be sending us some real artefacts so we can do some archeology for ourselves. Later in the afternoon, we all had a go on a metal detector and found real coins. We had so much fun!

<b>Word of the week!</b>	See this week's 'word of the week' at the end of this newsletter
<b>Get Active Week 27th June -1st July</b>	During Get Active Week children will have the opportunities to take part in a range of sports sessions, including golf, aerobics and taekwondo to name a few. They will also take part in a daily mile and learn about ways to keep healthy. Sports Day is held during Get Active Week to celebrate the children's participation and enthusiasm. <b>Please send your child in in their PE kit, with a water bottle and with adequate sun protection, including a hat.</b>

ParentPay: Outstanding Balances	Can we politely remind parents to settle any outstanding debts on Parentpay for school meals or Extended Schools <b>BEFORE</b> the end of term. This particularly applies for parents of Year 6 leavers. If you have any concerns regarding this then please do contact the office before we have to chase you.

Parallel Maths	<div></div> <p>Is your son or daughter an aspiring scientist, engineer or computer scientist? If so, then they will need a strong background in mathematics and mathematical thinking skills, so welcome to 'Parallel' (<a href="https://parallel.org.uk">https://parallel.org.uk</a>). Best-selling maths author Dr Simon Singh, MBE, is on a mission to increase the number and diversity of excellent mathematicians; his 'Parallel' website is a home for curious mathematical minds and is aimed at children aged 9-18 anywhere in the world. 100% free. The 'Parallel Universe' website has been designed to help children expand their mathematical horizons beyond the school curriculum and to stretch their ambitions.</p>																											
SEND	<p><b>One Page Profiles</b></p> <p>The one-page profile has been sent to all parents of children on the SEN register. A hard copy will also go home in the child's book bag. A one-page profile captures all the important information about a child on a single sheet of paper under simple headings: what people like and admire about me, what's important to me at home and at school and how you can support me at home and at school. It is designed to capture the child's voice so the school can take into consideration the child's views and aspirations when considering the support that they need in school. Please would you complete this with your child, writing down their answers as they express them, and return to the school office before the end of this term. This will be passed on to your child's class teacher as part of the transition process to their new class in September 2022.</p> <p><b>Local Area SEND inspection framework: Children &amp; Young People Survey</b></p> <p>Oxfordshire Local Area (Education, Health, Social Care and Families) have been invited by Ofsted and Care Quality Commission (CQC) to take part in a methodology testing of the new Local Area SEND inspection framework. As a Local Area, it was agreed that we would take part as it offers a learning opportunity to both the local system and Ofsted.</p> <p>As this is a pilot we have had advanced warning so we were notified formally yesterday, Monday 20th June that the inspection is taking place. We want to be clear that settings and schools are not being inspected during this process.</p>																											

Information about the process can be found in this link: Draft Area SEND framework and handbook ([publishing.service.gov.uk](https://publishing.service.gov.uk)). Inspectors will be on-site in Oxfordshire from 4th – 8th July.

Ofsted is choosing 6 children/families that will be invited to be involved in detailed case tracking. If your child has been chosen, an officer will call you sometime between Wednesday and Friday this week to talk through what will be involved in the process.

We want to thank you in advance for your participation in this process. Although there will be no written report, we will receive verbal feedback at the end of the inspection week. We will share the key learning from the process with the Parent Carer Forum and other parent groups.

You may be interested to know that the public consultation regarding the new inspection framework has just gone live: area SEND consultation, including consultation for children and young people. There is also a commentary from HMCI alongside the consultation.

Here are the links to the surveys, please encourage as many children, young people and families as possible to complete them. The surveys are live until 9 am Tuesday morning 28th June.

- Parents / Carers Survey – if you are a parent/carers we need you to complete this survey and share it with as many families with SEND as possible - <http://www.smartsurvey.co.uk/s/YourViewsPandCOxfordshire/>
- Children & Young People Survey – if you are a child/young person with SEND please complete this survey and share it with as many of your friends with SEND as possible
