Dear parents and carers,

RE: Teacher Strikes

Although we may ask staff, union members are not compelled to tell us if they are in the union taking action or if they intend to strike. Having said this, at this time, we have not been informed by any members of staff that they intend to strike.

This is just a reminder to keep tentatively considering childcare arrangements in case the school picture changes at short notice on 1st February, 2nd March (possible south east area action), 15th and 16th March. School may be impacted, at short notice, by the strike or by the child care needs of staff who are parents of children at other affected schools.

If you have any questions, please contact the school office at
office.2609@ladygrove-park.oxon.sch.uk.

Yours sincerely,

Andrew Markham
